

# SURVEY

## We want to meet your needs

Equally Well are interested in collaborating with you to know how best we can help you to achieve our shared goal, to improve the physical health and wellbeing of people living with mental illness in Australia.

By taking part in this 3 minute short survey, you can contribute to and inform us in refining content available on our website, help us to meet your needs as well as our joint objectives, and provide feedback on our 2022 symposium.

To access the survey:

- scan the QR code, or
- complete the survey in your symposium satchel, or
- go to [www.surveymonkey.com/r/3TPV8SM](http://www.surveymonkey.com/r/3TPV8SM)

We appreciate your contribution.

## Airport Transfers

There are roadworks in the area which are causing significant delays to and from both the Gold Coast and Brisbane airport. To alleviate this stress and the inevitable end of event rush we recommend booking your airport transfer with a shuttle company. They will collect you on Wednesday from right outside the symposium venue. Here are some suggested operators;

### Con-X-ion Airport Transfers

- one way from Griffith University to Gold Coast Airport is \$35;
  - one way from Griffith University to Brisbane Airport is \$59
